. . . PREFACE

We the students  
send you this book-  
let to provide a little  
picture of the Quaker  
campus. It cannot give you  
the whole picture, but we  
hope that it will give you some  
suggestions about how we live  
and work.

It mostly contains hints and sugges-  
tions in order to make you feel more at  
home from the first step on the campus. In  
some ways it sets a few standards both for  
conduct and dress. We ask you to plan your  
school clothes and activities in the light of these  
helpful suggestions.

Best wishes as you plan one of life's great experiences  
—going to college!

Welcome Students!

You are one of 529,950 freshmen expecting to enroll in college this Fall. There are enough of you to populate a great city. You are a part of a movement which supports a major industry, providing buildings and equipment, libraries, technical supplies, the best-trained and dedicated faculties, and a host of administrative and service personnel. All of this is designed to help you to become a genuinely educated person.

As you become better acquainted here at George Fox College, you will be made aware of the privilege to share in a noble tradition which succeeds from the Judo-Christian belief that "the fear of the Lord is the beginning of wisdom," and which has been transmitted from the founders of the Society of Friends.

We hope that your years with us in college will be the happiest you have known until now. We promise to do all in our power to make this part of your formal education as adequate as we can with the tools at our disposal. And we ask you to make the most of your opportunity.

—MILO C. ROSS  
President

### Welcome Students!

To the many new students arriving on our campus for the first time, we extend our hand of welcome. We trust that you may enter into the spirit of the school family and be one of us.

To the returning students we are happy for the reunion and are looking forward to another good year.

May this year be a high year in the thinking of every faculty member, student and alumnus. In looking forward to a good year together, let us each recognize that the school must be Christ centered.

In typical western style, we say a hearty "Howdy Friend" to each one of you.

—ORVILLE WINTERS  
AS President

### Welcome Students!

We of the Student Christian Union feel very happy to have you join the student body of George Fox College. We trust that the years which you spend here will bring rich and satisfying experiences to your lives in every area of your further development.

We feel that GFC offers to you the well-rounded, Christ-centered, educational curriculum which you seek, and it is our desire that once established here, you will find it possible to participate fully in the various campus and student activities, feeling glad that you are a part of our college society.

At George Fox College, life on the spiritual level is of great importance. It is the goal of the SCU to provide adequate opportunity for sufficient exercise and development for every student. We desire that through the spiritual program of the college, you may experience a deeper walk with Christ and a fuller realization of the Lord's presence in your lives.

We recognize also the need for social expression. The Student Christian Union sponsors several social functions during the year designed to provide real enjoyment and satisfaction for students of the college.

We welcome you, therefore, to college life—life at George Fox College.

—ARNOLD W. LEE  
SCU President

## Information for Arrival . . .

All women students who will not be living at home must clear their living arrangements with the Dean of Women. When you arrive, you should report immediately to the Dean of Women at Canyon Hall for your assignment. This applies equally to those who will live outside of Canyon Hall.

Men students will receive their room assignments from the Head Resident in Edwards Hall. This applies both to those who will be living in Edwards and to those who will be assigned elsewhere.

After reporting to the respective dormitories, you may consult with any school officials you wish if you have some questions to be answered. Do not accept 'rumor' in place of information. If in doubt, go to one of the administrative officials and ask! The president, the dean, the registrar, the treasurer, or any other staff member will welcome the opportunity to help you. You are not bothering them when you call at one of their offices—their business is serving YOU.

### How to Register

Freshmen will be taken to the library on Monday afternoon of their orientation period to register. After completing your booklets here and getting faculty signatures you will find a line in Wood-Mar Hall waiting to complete financial arrangements in the Treasurer's office; join this line for it will take you through the remaining steps.

A change in registration requires that you: begin with the Registrar, secure the Dean's approval, the teachers involved in the change, and the Treasurer. By the time you have seen all of these people you will wish you had not thought of changing your program!

Lower division students who are taking PE can register for 17 hours, but other than these take it easy, make good grades with 16 hours rather than trying to take the entire schedule.

### Lost and Found

Lost and found is handled in the general office. One of our great traditions is the honor of respecting the possessions of others.

### Mail Call

Student mail is picked up in the alphabetical listed boxes in the lower hall of Wood-Mar. The mail usually is distributed by 11:00 a.m. Please do not go to the office for your mail; those who work there have enough to do without telling you a dozen times that the mail still is not in.

### Chapel

Chapel services are held under faculty organization Mondays, Wednesdays, and Fridays, and by students on Tuesdays. Attendance is required and students must sit by seat assignment according to class. Those who wish to skip will find that chapel attendance is required for graduation.

## We Eat . . .

### Meal time is:

Breakfast .....	7:00 a.m.
Lunch .....	12:15 p.m.
Dinner .....	6:00 p.m.

At lunch time five minutes are permitted for those taking tests but no tardiness is permitted, except for emergencies, at other meals. Form the ON TIME habit! If it is necessary to be excused early from a meal please make advance arrangements with the hostess.

### Dining Hall Dress

Thursday evenings and Sunday noons are designated as Guest Meals at which you are expected to dress according to the clothing charts for these occasions.

Men must wear coats to all evening meals, except Saturdays. T-shirts and bandanas are not permitted at meals, and by the way— girls may not wear slacks or jeans to meals except on Saturdays, and then not when guests are expected.

## At Home Away from Home . . .

Certain living standards are expected of you at school just as they are at home, except the college family is larger so must set certain higher standards for the benefit of all. Here you must look after yourself, and these living standards will help you know what others expect of you. It is one way of being aware of other person's rights, and not violating them.

Whether you are in a dormitory or in a private home, you must observe proper hours, cleanliness, regard the rights of the house owners, dorm supervisors, and room-mates. This is the only way for you to be happy and for those around you to be happy too.

A few suggestions will help to show how we live. If you get sick—be sure to send word to the student health officer. She is an R.N. and is competent to give advice. Be sure first that your dormitory head is informed if you do not feel well. This is a must!

What time should you be in your room?

Week nights .....	10:30
Friday nights .....	11:30
Saturday and Sunday .....	11:00

Men students are welcome in the ladies' parlors during the lunch hour, between 4:00 and 7:30 p.m. on school days, and afternoons and evenings on weekends.

Study hours begin at 7:30 p.m. on Monday, Tuesday, Wednesday, and Thursday.

## Extra-Curriculum . . .

This school year is the first time that a nearly complete schedule of all events has been made before school started. Be sure to get a copy of the calendar; it shows the dates of organizational meetings, parties, banquets, and special nights.

However, some activities will have to be placed on the calendar as the year moves along. Remember this, no extra-class activity is held without properly scheduling it. Here is how you do it. The official calendar of events is in the Dean's office. First, go there to discuss your proposed date with him. Your second step is to fill out, in duplicate, an extra-curricular slip for reserving a calendar date which you obtain from the general office. Third, have this request slip signed by the chairman of the faculty extra-curricular activities committee then return it to the Dean's office. When he signs it—your date is clear, but not until!

**REMEMBER**—wherever you are, on other campuses, downtown, other cities, churches—you are a college representative:
