

THE PLATFORM ^{OF} _{THE} NATIONAL JUSTICE PARTY

SECURE A PERMANENT WHITE MAJORITY

The United States of America will be declared an outpost of Western civilization and a state dedicated to its European-heritage population and their posterity. It will be the policy of the state to set immigration and natal policy that will ensure a permanent European majority. The rights of historic minority populations will be respected.

EQUAL RIGHTS FOR THE WHITE MAJORITY

We demand the extension of the 1964 Civil Rights Act to provide equal protections and privileges to the White majority, or the act must be repealed.

STRATEGIC BREAK UP OF MONOPOLIES

We support the nationalization and strategic break ups of banks, mass media, and monopolistic corporations in order to create public accountability and guarantee that they serve the nation first.

A 2% CEILING ON JEWISH REPRESENTATION

We support a two percent ceiling on Jewish employment in vital institutions so that they better represent the ethnic and regional population balance of the country.

SUPPORT OF BASIC HUMAN RIGHTS

We support the sacred rights of free speech, freedom of religion, and freedom of association. Political views will not be censored by the state or any large private concerns. It will be illegal for any employer to retaliate against workers for political activism and expression outside the workplace.

SUPPORT OF PRIVATE PROPERTY RIGHTS

We support private property rights, including a program to make home ownership more accessible to stably employed family men. Small businesses and communities will be granted the right to refuse service or home ownership to anyone for any reason they see fit.

DEFENSE OF GUN OWNERSHIP

We stand firm in defense of the right of law-abiding citizens to own firearms.

ABOLISH THE FBI

We demand the FBI, which acts as nothing more than a political secret police force for elite interests, be abolished and replaced with a legitimate federal law enforcement agency.

PUBLICLY FINANCED ELECTIONS

We demand an end to political contributions and corporate lobbying. Elections must be publicly financed.

END THE TWO PARTY POLITICAL SYSTEM

The corrupt two party system must be abolished and replaced by a system that offers real representation to racial groups and economic classes.

AN END TO FOREIGN WARS

We oppose America's ongoing military entanglements and demand the return of all troops to the homeland. We will engage in diplomacy under the doctrine of "America First" and cease the internationalist project of exporting liberalism.

CRIMINALIZE WAR PROFITEERING

We will nationalize the defense industry and make war profiteering a criminal act. All able-bodied men will be conscripted into national service.

END LOBBYING FOR FOREIGN NATIONS

Lobbying on behalf of foreign nations will be banned and classified as espionage. Foreign negotiations will be conducted through official diplomatic channels.

DECLARE ISRAEL A ROGUE STATE

We will declare Israel a rogue state and exporter of terrorism. The national rights of the Palestinian people must be respected.

ESTABLISH A STRONG MIDDLE CLASS

We will establish a new economic policy that stresses the family wage, full and stable employment, and a strong middle class. We will abolish the income tax on productive work and put this burden on capital and speculative income.

GUARANTEED RIGHTS FOR EMPLOYEES

We call for correcting the power imbalance between labor and management through a national labor organization That guarantees employee rights.

MASSIVE PUBLIC WORKS

We support an industrial plan that brings home capital and manufacturing and invests in our depressed and de-industrialized heartland. We will implement massive public works projects to modernize our crumbling infrastructure.

END PREDATORY LENDING

Usurious and predatory lending practices will be outlawed. All credit will be issued by the state with no middle-man profiteers.

NATIONALIZED HEALTH CARE

Health care is a right. Health care must be removed from the control of for-profit hospitals and insurance companies and made a public service for all people. Preventative care will be emphasized, and physical fitness will be promoted.

RESTRUCTURING OF EDUCATION SYSTEM

We will restore reason, logic, and tradition to the education system by implementing a comprehensive classical curriculum. Homosexual, neoliberal, and transgender propaganda will be explicitly banned from being taught to children.

ESTABLISH A DEPARTMENT OF CULTURE

We will establish a Department of Culture that will oversee the creation of art and architecture to enlighten the public through beauty and transcendence. Suburbs and small towns will be revitalized with beautification projects to make them walkable and attractive and to encourage social life.

ENVIRONMENTAL PROTECTION

The state must act as the steward of the environment. Industrial and economic needs will be balanced with quality of life and the preservation of natural beauty. Wildlife will be protected, and we will expand national parks and wilderness areas. Religious slaughter and other inhumane treatment of animals will be banned.

SUPPORT OF STRONG FAMILIES

We support strong families. Married women will be paid by the state to care for their children. No-fault divorce will be repealed, and homosexual marriage will be banned.

TECH ADVANCEMENTS FOR THE PEOPLE

The benefits of automation will be shared among all citizens. Technological advancement will be used to reduce work hours, raise wages, lower the retirement age, and increase pensions.

AN END TO RACIAL CONFLICT

In order to put an end to racial conflict and hate, all people will be entitled to be policed, educated, and judged by individuals of their own race. No longer will any race be exploited for the benefit of another in America.
